Friendship Association Education Assistance, Inc.

Friendship Association Education Assistance, Inc. (FAEA), a non-profit 501(c)(3) organization with the goal of operating exclusively for charitable and educational purposes, was established in 1996 by Nigerian Friendship Association (NigFA), a non-profit organization formed in 1986 by Nigerian students and professionals in the greater Washington DC area.

FAEA has created a compelling legacy of success addressing the educational needs of underprivileged children in North America and in Africa for 21 years by providing children with school supplies, mentorships, and scholarships, as well as funding of materials for schools' renovations, furniture and equipment, and science laboratories. We are able to fund these projects in part through our annual events and financial contributions from NigFA members and FAEA supporters.

CURRENT PROJECTS:

Granting supply wishes to teachers and principals at adopted schools in the United States:

- Cleveland Elementary School, Washington, D.C.
- Shaw Community Center, Washington, D.C.
- Luke C. Moore Alternative High School, Washington, D.C.

PAST ACCOMPLISHMENTS:

Renovation: FAEA has adopted over **15** schools by funding renovation projects in Nigeria.

School Adoptions: FAEA has purchased much needed furniture, library and science laboratory equipment, school supplies and granted four-year college scholarships to students in the United States and Nigeria. We have supported over **47** schools and estimate our investment has positively impacted over **26,500** children.

THE BOARD AND ENTIRE MEMBERS OF FAEA

Wishes to Thank

all of our sponsors and donors for their investments and continued support of underprivileged children's education in the United States and Nigeria.

We also wish to thank the 2018 Golf Committee for donating their time and talent to the 13th Annual FAEA Golf Outing.
